

Devotion: Have you ever wanted something and you wanted it NOW!? We all have and we live in a world today where everything is fast and made easier for us. If we are hungry, we just drive through and pick up fast food; we used to be able to wait for Christmas or our birthday for a most special gift and it is harder and harder for us to wait; we may even want to rush through our homework or our chores so we can get them done and over with –fast—and we may not be giving it our best efforts. God teaches us that waiting is good and waiting on Him is even better. God has a plan for each of us and He wants us to be patient and wait on His timing for everything in our lives. When we rush ahead without Him, we will likely make plenty of mistakes along the way and have to go back and redo them or experience the consequences of our impatience. God loves us and when we wait on Him, He will give us the strength walk and run on the path He makes for us and, like the picture of the eagle flying, to be strong and confident and to trust God and His plan.

Soaring with the Eagles!

Day 18

Children around the world

Children of Australia

Australia is the world's smallest continent and is located east of Africa and south of Asia, it is also south of the equator. Children in Australia eat, believe it or not, a dish called Wangala, a type of lizard! They also eat birds called Bush Turkeys, plus things like chicken soup and eggs on toast. The people in Australia, more than 2/3rd have a Christian-based faith, while over 1/6th of the people have no religious beliefs. Pray that God will give strength and confidence to the Christians there to walk and run, and even fly, on the path He makes and that others will join them in walking, and flying, with God.

How many eagles can you find?

print out the book mark and cut it out

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.

But those who wait on the LORD shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.
Isaiah 40:31

Wait on God
