

# Who's In Charge?

Devotion: Are there ever times when you feel like you couldn't possibly be important to God or play a special part in His plan? I'm sure that Joseph felt like that, too, when he was in the pit where his brothers threw him or in the prison where Potiphar confined him. Joseph, however, knew that God was in charge. The Holy Spirit was in Joseph. He was faithful and made the best of his situation, wherever he found himself, for God's glory. God eventually raised him to second in command to Pharaoh himself. If you ever find yourself in a pit where you don't feel very important, remember that God is in charge and can raise you to a palace!

Day 27

Children around the world

**Children of Spain**  
Spain is a country in southwest Europe and is the second-largest country in Western Europe. One traditional dish in Spain is paella, which is made of rice and seafood with vegetables. One favorite Spanish dessert is flan, a type of custard. Most children in Spain are Christian. Pray that they will be reminded that God is in charge of their lives and that they will remain faithful in the small things so that God can put them in charge of bigger things.

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.
