

Prayer Log

Make an extra effort to pray throughout the day. Record the time that you pray and a word or phrase explaining what you prayed about.

TIME	SUBJECT OF PRAYER

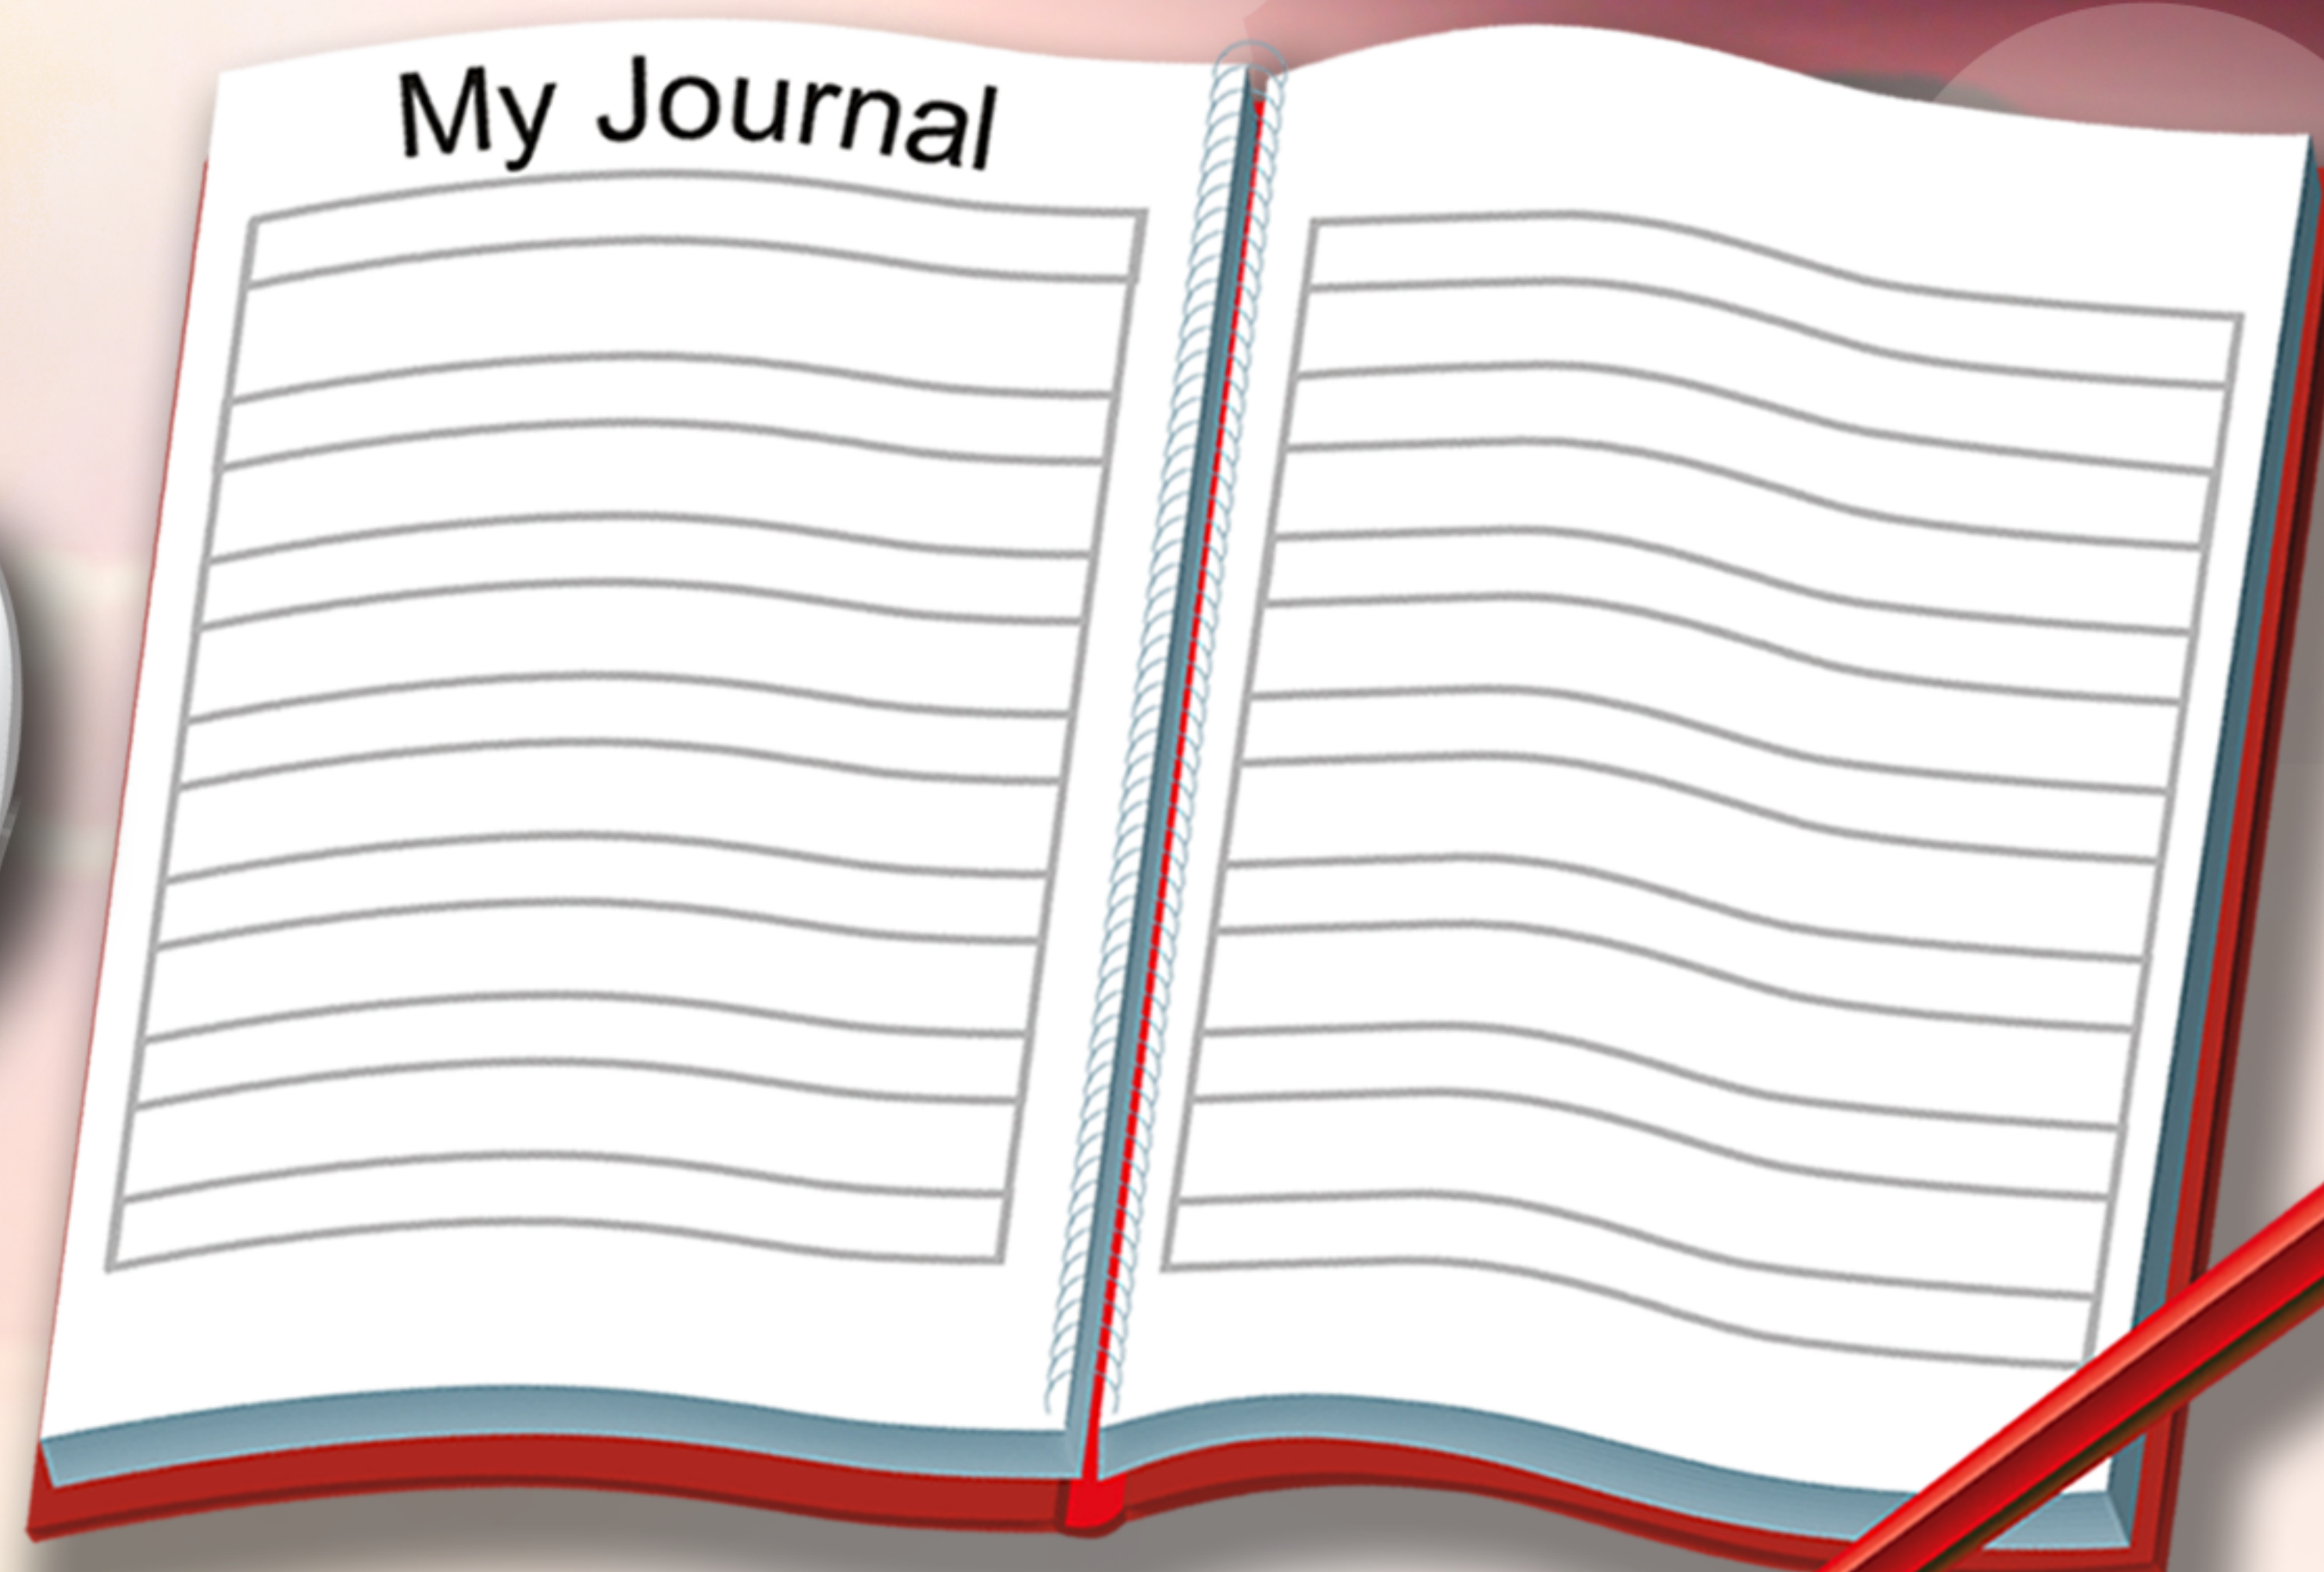

Praying Day & Night

Devotion: When do you pray to God? At mealtimes? At bedtimes? In church? Did you know that God wants us to pray to Him all the time? 1 Thessalonians 5:17 says that we should "pray continually." Why should we limit ourselves to only certain times to pray? Whenever we are frightened, angry, nervous, happy, confused, or we just want to praise God, we should pray. As we think about Him more and more throughout the day, we'll become even closer to Him.

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.

"But his delight is in the law of the LORD, and on His law he meditates day and night." (Psalm 1:2)

Children around the world

Children of the UK
The United Kingdom is a large island nation west of mainland Europe and is made up of England, Scotland, Wales, and Northern Ireland. It is often called Britain. A famous British dish is fish and chips, which is fried fish and French fries, served with malt vinegar. A traditional dish is called Toad-in-the-Hole. It is made from sausages baked in a batter and served with gravy. There is a long tradition of Christianity in the United Kingdom, but it is on the decline. Pray for a revival of Christianity in Britain and that British children would find comfort and a close relationship with Jesus through prayer.
