

Devotion:

Your words have a lot of power. You can choose to hurt people with careless words or to bless them with loving words. It's normal to feel frustrated or angry sometimes, but it's also important to remember that when you have those feelings, you should talk to the Lord about them. Pray for Him to "create a pure heart" in you (see Psalm 51:10, and choose to honor others with kind and encouraging words.

Children of Korea

Korea is located on the Korean Peninsula in northeast Asia. It is divided into two parts: North Korea and South Korea. Korea is surrounded by three seas, so seafood is a staple of the Korean diet. A typical Korean meal might include seafood stew, steamed rice, and spicy cabbage. In North Korea, especially, is illegal and Christians are often punished for expressing their belief in Jesus Christ. Thank God that you are free to worship Christ, and pray for the protection of those who worship Him in Korea.
