

Talk about being fearfully and wonderfully made (Psalm 139:14). What does that mean? Use interesting facts about how absolutely amazing God's Creation, our bodies are. (Physical aspects) God knew what He was doing when He made you; He didn't make you a turkey, but an eagle with wings to soar. God made you just the way you are. He gave you those beautiful eyes and bright smile. You are a precious treasure to Him. God has not yet finished His "masterpiece" painting of my life. He has not yet completed the work He has begun in you. Even though, you may not know yet what His plan is for your life, He knows your future and what is best for you. Be patient as He works to mold you into a masterpiece.

You are a Masterpiece ★ Precious to God

Day 39

Create your own masterpiece inside this frame!

Children around the world

Children of Kenya
Kenya is located in Eastern Africa, between Somalia and Tanzania, right near the Equator. The capital of Kenya is Nairobi. Its' official languages are Swahili and English. The food staples of Kenya are corn, maize, potatoes and beans. You might eat a dish called "Ugali"- a porridge made from maize. Or you might roll your vegetables of corn, red kidney beans, potatoes, and spinach together to make a little ball called "irio" that you would dip in a stew. Most of the meals made in Kenya are very inexpensive, as many people, live in poverty in this country. Pray for Christian organizations and missionaries to help the people of these impoverished areas and share the good news of Jesus Christ. ☆

★ "For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do."
Ephesians 2:10 ♥

Fill in the blanks:
Just as it takes an acorn a long time to become an oak _____, so it will take the spirit within my heart to grow to _____.

Fill in the blank answers:
1. tree, 2. completion.

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.
